Association of Screen Professionals

A non profit association supporting those working in the
film & television industry who aim for excellence in their profession.

ASP AIMS

ASP is a non profit association supporting those working in the film and TV industry who aim for excellence in their profession through:

- striving for the highest standard in their work
- a desire to extend their skills through training or masterclasses and peer feedback
- a willingness to contribute positively to the industry by offering encouragement to emerging practitioners as well as peers

Membership is open to members of the film and TV profession who have been nominated by a colleague(s) who is a member of ASP and fit the criteria above. Membership nominations will be assessed by a selection panel comprised of at least 3 working industry professionals who are members of the ASP executive. Those offered membership will be able to join and remain members of ASP on payment of a tax deductible annual membership fee of \$99. ASP administers Perth Actors Collective courses including PAC Screen Workshops 1 and 2, PAC Acting for Stage; PAC Voice classes and also PAC Script Lab script readings.

ASP ACTIVITIES:

MASTERCLASSES

Financial ASP members will be entitled to free entry to two master classes each year with a leading industry practitioner.

MASTERCLASS CHALLENGES

At the completion of each master class a 'screen drama challenge' will be offered to ASP members who wish to attempt it. Those interested can work on this with fellow ASP members in their own time

over several weeks. Once scenes are completed these can be shown at an ASP Screening Night.

ASP SCREENING NIGHTS

In order to gain feedback from peers and colleagues who are at a similar skill level, ASP members can bring their works-in-progress, rough cuts, showreels, promos or examples of screen work they are developing for showing on ASP Screening Nights.

ACTOR /DIRECTOR LAB

A new 6 week Actor/Director Lab (similar to ones run in LA and New York) will be available only to ASP members. N.B. Although groups will not be required to film their scenes, should they wish to, they can and show these on one of the ASP Screening Nights.

COURSE DISCOUNTS

Financial ASP members will be entitled to a discount off any PAC Screen Workshop 1 or 2 course they enrol in.

ASP MENTORS

The most experienced members of ASP may be asked if they would be willing to act as a mentor to an emerging member of the profession.

ASP NETWORK

ASP members will be able to utilise the ASP 'network' via email to those members who are happy to receive these occasional emails.

ASP Social – don't forget the fun! Informal drinks / meet and greets will be organised where possible with visiting industry VIP's or 'Illustrious Alumni' of PAC Screen Workshops when they visit Perth.

ASP is a membership association which will have a management committee.
